## End User License Agreement

Conceptualiz Inc. ("Application Provider") provides the application ("Licensed Application") through which the Services (as defined below) are delivered and licensed to you ("You" or "Your") solely for use under the terms of this End User License Agreement (this "License"). Additional products or applications may also be provided to You which are accompanied and governed by separate license agreements. Application Provider reserves all rights not expressly granted to You. IF ANY OF THESE TERMS ARE UNACCEPTABLE TO YOU, DO NOT USE THE LICENSED APPLICATION OR THE SERVICE.

### a. Scope of License.

The license granted to You for the Licensed Application is limited to a non-transferable license to use the Licensed Application on any iPad or similar device that You own or control and as permitted by the Usage Rules set forth in Section 9.b. of the App Store Terms and Conditions as may be amended from time to time (the "Usage Rules") to receive the services provided by Application Provider (the "Services"). This License does not allow You to use the Licensed Application on any device that You do not own or control, and You may not distribute or make the Licensed Application available over a network where it could be used by multiple devices at the same time. You may not rent, lease, lend, sell, redistribute or sublicense the Licensed Application. This license does not include any resale or commercial use of the Licensed Application or the Service. Further, You may not copy, decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, or create any derivative works of the Licensed Application, any updates, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or to the limited extent as may be permitted by the licensing terms governing any open source components included within the Licensed Application). Any attempt to do so is a violation of the rights of the Application Provider and its licensors. If You breach this restriction, then You may be subject to prosecution and/or damages. This License will govern any upgrades provided by Application Provider that replace and/or supplement the original Product, unless such upgrade is accompanied by a separate license in which case the terms of that license will govern.

### b. Consent to Use of Data.

You agree that Application Provider may collect and use technical data and related information including, but not limited to, technical information about Your device, system, application software, and peripherals, to facilitate the provision of the Services, updates, support and other services to You (if any). Subject to any limitations imposed by applicable law, Application Provider may also use or share this information with third parties as long as it is in a form that does not personally identify You, to improve and/or provide its products, services and technologies.
